

In line with Government guidance, we will be requiring everyone to wear a face covering when visiting our premises from Friday 24th July 2020.

Whilst it isn't law for our staff to wear a face covering while they work, we think it is an important thing to do to help keep everyone safe, so we have encouraged all of our staff to wear a face covering when serving our customers – unless they are serving you from behind a screen.

The wearing of face coverings is not a replacement for social distancing or any other measures that we have introduced for your safety.

Please continue to follow our guidelines, which include, but are not limited to:

Do not visit us if you have any symptoms of Coronavirus

Shop alone where possible

Keep your distance from others

Use hand sanitizer provided

We will also continue to manage the number of customers in the yard and shop so you may be asked to wait before entering.

Please use the hand sanitizer stations both on entering and leaving the premises.

We would like to thank all of our staff and customers for their patience and understanding over the past few months, we know we can count on your support when these new measures come into force on 24th July 2020.
